Captain Robert Yick's Message

Dear Residents and Community Members,

On Monday, January 8, 2017, Taraval Station hosted a press conference to announce the department's plan to address the increase in auto burglaries, as the reported number of auto burglaries increased 24% to approximately 30,000 citywide.

The Taraval District was not immune and the number of reported auto burglaries in the district increased 10% to 1,783 in 2017. A review of auto burglary statistics revealed that property was left in plain-view 70% of the time. Items of significant value were left in vehicles 90% of the time.

As a part of a pilot program, both Taraval Station and Mission Station designated property crime liaison officers to address auto burglaries, bicycle thefts, residential burglaries and other property crimes. At the end of June 2018, the reported amount of auto burglaries in the Taraval District dropped 26%.

Beginning January 1, 2019, all ten district stations will assign property crime liaison officers in their districts. Central Station will work with our community partners, participate in "Park Smart" and "Lock/Take/Hide" and will conduct pro-active enforcement.

Please remember to and remind others, especially tourists to "Park Smart". Take all of your valuables with you, including wallets, passports, cell phones, tablets, laptops and cameras. Auto burglaries happen in seconds and it is difficult apprehending subjects that are involved.

Happy New Year!
