Captain Robert Yick's Message

Captain Robert Yick
Commanding Officer Central Station

Dear Residents and Community Members,

National Police Week

Again this year, communities across the United States will come together during National Police week to honor and remember the law enforcement officers who made the ultimate sacrifice, as well as the family members, friends and fellow officers they left behind.

Police Unity Tour

“We ride for those who died” is the motto for the thousands participating in this years Police Unity Tour. The Police Unity Tour is a four day fundraising bicycle ride from several states across the nation to the National Law Enforcement Officer Memorial in Washington DC.

Team SFPD of the Police Unity Tour Northern California began their journey alongside thousands of fellow officers from around the country to ride for fallen officers. Congratulations to Central Stations' own Sergeant Pearl Rogers, Sergeant Ed Barrientos and Michael Amoroso for completing the ride. We couldn't be more proud!

NEIGHBORHOOD WATCH SIGNS:

SAFE, with support from SFPD and DPW, will get Neighborhood Watch signs installed on individual blocks. Groups are able to apply for Neighborhood Watch signs after forming active groups. Signs are a way to publicize the efforts of your group, letting others know that yours is a SAFE neighborhood and one in which crime will not be tolerated.

Start a Neighborhood Watch

To start a neighborhood watch group or to inquire about any of our services, please call: (415) 553-1984 or (415) 673-SAFE.

As a reminder, please continue to dial "311" for a number of city services, especially if it is for illegally dumped garbage.

Featured Officer of the Month

Anthony Tallerico #976

Each month Central Police Station features one of its officers in an effort to learn more about the men and women who police our neighborhood.

*This month, we interviewed
Officer Anthony Tallerico*

Officer Tallerico was born in San Francisco, California. He graduated from Sacred Heart High Cathedral Preparatory and went to attend the UC Santa Barbara and majored in business economics and accounting.

Officer Tallerico joined the San Francisco Police Department in June 2015. After graduating from the Police Academy, he was assigned to Northern Station for training. After completing training, he was assigned to Bayview Station for probation. After probation, he was assigned to Central Station.

When asked what his favorite thing about the Central is he responded, "My favorite thing about Central is being able to patrol in a district with most of the cities tourist attractions. I also appreciate that Central Station is filled with officers who work hard and still have fun on the job"

Definition of Suspicious Activity

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

Examples of Suspicious Activity:

- ◆ An individual peering into vehicles to locate any valuables left unattended.
- ◆ An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- ◆ An individual checking front doors of residences to locate any unattended packages, or individuals following delivery trucks to see where the truck is dropping off packages.

**See something.
Say something.**

Definition of Community Policing

Community policing, or community-oriented policing, is a strategy of policing that focuses on police building ties and working closely with members of the communities.

- Homeless Outreach and Outreach to Drug Users: Central Station officers coordinate with city agencies to provide outreach and assistance to rehabilitate those who are dependent on illegal drugs and outreach to homeless individuals to connect them with resources and support.
- Foot Patrols: Central Station have beat officers assigned to Union Square, Fisherman's Wharf, Chinatown, North Beach and Market/Drumm area.
- Monthly Police Community Relations Meetings: Community Meetings are held continuously. Officers also attend meetings with merchants groups, business groups, development authorities and others. Concerns are voiced and addressed through problem solving.
- Email Updates: Central Station sends out newsletter updates to residents in the District that alerts residents of crime trends, upcoming community events, crime prevention tips, and information on how to contact officers at the District Station.

Park Smart!

If you love it, don't leave it.

Car thieves only need seconds to break into your car.

So Park Smart and take all valuables with you —
from small items — cell phones and sunglasses —
to bigger items — luggage and backpacks.

Don't tempt a car thief.
