## Captain Paul Yep's Message

Recently there were some questions about how to best report crimes. Here is some information that was published in a previous newsletter that may be useful.

Here is some useful information for our Central residents about reporting crimes and obtaining police services. If you are reporting a crime that is *in progress*, dial 9-1-1 immediately. Also, call 9-1-1 to report fires, medical emergencies and any emergencies related to public safety.

To report a non-emergency incident (a crime that has already occurred and the suspects are gone), please call the SFPD non-emergency phone number at 415-553-0123 to have an Officer dispatched to meet with you.

You may also go to any SFPD district station to make a report. Central Station is located at: 766 Vallejo Street.

For your convenience, the following crimes may be reported on-line using the SFPD's main website (<http://sanfranciscopolice.org/REPORTS>):

- Harassing Phone Calls: When you are experiencing annoying calls - with no known suspects; for example, hang-ups or heavy breathing.
- Lost Property: When property has disappeared and not stolen. If you think it could have been taken but you have no idea by who, you may enter the report online.
- Theft: When property is stolen but there has been no illegal entry or contact by the thief.

- Vandalism/Graffiti: The act of changing, modifying or defacing public or private property, including graffiti.
- Vehicle Burglary: When property was stolen from a vehicle.
- Vehicle Tampering: Tampering with a motor vehicle, including vandalism/graffiti of the vehicle.

When you call 9-1-1 or the SFPD non-emergency number, you are actually calling the Department of Emergency Management (DEM) and a trained professional will prioritize your call and send you the closest and most appropriate resource(s). Important data and tracking information will also be captured to assist in getting help to you in the most efficient manner.

Please note, the Central District Police Station email account is NOT monitored daily and was not set up to take reports of criminal incidents or suspicious occurrences.

Additionally, although we post information on social media such as “Nextdoor” and “Twitter” for informational purposes, the Police Department does not and cannot view your neighborhood “Nextdoor” posts and chats, because of privacy concerns. Please encourage your “Nextdoor” contacts to report incidents to the Police when they post information regarding crimes and any public safety issues on “Nextdoor”.

If you are concerned about a homeless person in San Francisco, call 3-1-1 to make a report. The 3-1-1 staff will talk with you to determine if the call is referred to the San Francisco Homeless Outreach Team (SF HOT) or other emergency response services. For general program information about the SF HOT team, call 415-355-7555.

Chief William Scott, Supervisor Aaron Peskin, Commander David Lazar and Captain Paul Yep walked Chinatown and North Beach to see and hear from the community.

Officers Johnson, Marte, Zubko and Tsai participated at the TEL-HI Law Enforcement Day on July 31st.

# Featured Officer of the Month

## Officer Derek Christensen

*Each month Central Police Station features one of its officers in an effort to learn more about the men and women who police our neighborhood. This month, we interviewed Officer Derek Christensen, a 6-year member of Central Police Station.*

Officer Christensen was born in Honolulu, Hawaii. He attended Iolani High School in Hawaii. After high school, he attended college at the University of San Francisco and graduated with a Bachelor Degree in Business Administration.

Officer Christensen joined the San Francisco Police Department in January 2009. After graduating from the Police Academy, he was assigned to Mission Station for field training. After field training, he was assigned to Southern Station for probation. After probation in 2011, he was assigned to Central Station for his permanent station and he has been with Central Station since.

Officer Christensen's favorite thing about the Central is interacting with the local residents as well as the tourists. He says that "Both are grateful for the work that our Department does. They are even more grateful when we arrest burglars and get their stuff back!" He also enjoys working with the Officers at Central Station. He says, "I grew up playing on teams, and Central Officers are the best teammates thus far. All our bosses are extremely supportive and are great leaders. The food is pretty good, too! I'll always have the best stories from the Central! Central District is the best part of the city – the sights, attractions and activities."
